

Report on Inaugural function of Quality Enhancement Lecture Series held on  
21-03-2019, organised by the IQAC, University of Mysore.

A lecture on best practices for quality enhancement by Prof. P Nagabhushan, Director, Indian Institute of Information Technology, Allahabad, was organized by IQAC. The program was inaugurated by Dr. Leonid Mestetskiy, Professor, Department of Computations Mathematics, Moscow State University, Russia. In his inaugural speech Prof. Leonid has expressed his happiness being a part of the program and he shared the best practices adopted in his university in offering the quality education to students. He highlighted the importance of choice based education system and the freedom of a teacher in guiding students. Earlier to his inaugural speech, the Registrar of the university Prof. Lingaraja Gandhi has delivered a welcome speech in addition to giving a pramble of the program.

The former director of IQAC Prof. K A Raveesha had graced the occasion and addressed the gathering on various activities of IQAC. Prof. G Hemantha Kumar, Vice Chancellor of the university presided the function and delivered a presidential address.

Prof. P Nagabhushan had delivered a talk for about 90 mins on various aspects of improving the quality of education in higher learning. He opined that the choice based credit pattern of learning with continuous assessment would provide a good environment for learners. He has shared his rich experience of working at national institute. He expressed that the teaches at higher learning should come forward to take up the responsibility of overall development of students through continuous monitoring of students' progress. He explained in detail various methods of conducting classes, laboratory sessions and also evaluation of students in continuous manner. He has briefed the advantages of student centric education paradigm in higher learning. 70 members participated in this event.

The program was finally concluded with vote of thanks by Prof. D S Guru, Director, IQAC.
